- 15:03(c) The Employer shall advise the Shop Steward in writing of the names of the employees who are being laid-off on the same day the lay-off notice is given to the employees.
- 15:03(d) If the Employer cannot provide work for the employee affected by lay-off for the full notice period, the employee shall receive a sum of money that is at least equal to the wages the employee would have earned if the employee had worked his regular hours of work for the period of notice applicable, or a combination of a portion of the notice of lay-off together with money that is at least equal to the wages the employee would earn if he worked his regular hours of work for the period of notice applicable to the employee under Articles 15:03(a) or 15:03(b) that is not given.

- 15:08 Accumulated seniority shall be lost by any employee if:

  - b. He voluntarily quits.
  - c. He fails to report to the Employer, or produce a valid reason, acceptable to the Employer within three (3) working days after being notified to report to work following lay-off.

Therefore, in the event of layoff, he shall be the second (2nd) last man on the job, regardless of his job or work classification. The Shop Steward and Assistant Stewards will be allowed reasonable time to attend to Union business, on Employer premises, without loss of pay, providing they inform the Supervisor of the time needed for such purposes.
- 16:03 The Shop Committee shall act in the capacity of a Grievance Committee and the names of the Committee shall be posted on the bulletin board in the shop by the Union from time to time as the occasion warrants.
- 16:04 Cooperative meetings between Management and Shop Committee shall be held quarterly.
- 16:05 For the purpose of negotiations, the Employer will pay Shop Committee members, that have been affected by layoff, for the time they are in attendance at every second negotiation meeting. ### STEP 4

In the event that the grievance cannot be resolved pursuant to Step 3, within four (4) working days of commencement of discussions as set forth in Step 3, then within ten (10) working days thereafter, the matter may be referred by either party to Arbitration pursuant to the Alberta Labour Code.

Any grievance shall initially be discussed between a representative of the Union and a representative of the Employer and if the matter cannot be resolved, the Employer or the Union may proceed to Arbitration pursuant to the Alberta Labour Relations Code.

17:04 Any grievance action by the Employer or the Union may be commenced within ten (10) working days of the date of knowledge of the incident or matter giving rise to the grievance. #### **ARTICLE 20: NO STRIKES OR LOCK-OUTS**

20:01 During the term of this Agreement, the Union agrees that there will be no strikes or other collective action which will stop or interfere with production, and if any such collective action should be taken, it will instruct those of its members who participated in such collective action to carry out the provisions of this Agreement and return to work. The Employer agrees that it will not cause or direct any lock-out of its employees.

#### **ARTICLE 21: DURATION OF AGREEMENT**

21:01 This Agreement shall become effective February 1, 2016 and shall remain in full force and effect until January 31, 2018 and from year to year thereafter unless either party shall at least ninety (90) days prior to the anniversary date thereof notify the other party to this Agreement of a desire to modify or terminate this Agreement. In the event that such notice is given, the parties shall meet not later than fifteen (15) days after receipt of such notice. Where either party notifies the other of its desire to modify or terminate this Agreement, as outlined above, the Agreement shall remain in full force and effect until a strike or lockout is lawful pursuant to the Alberta Labour Relations Code.

Should an understanding not be reached after such notice is filed, the Provincial Conciliation Service will be notified in accordance with provisions of the Alberta Labour Relations Code.
