ARTICLE 1 RECOGNITION, SCOPE, AND PURPOSE OF AGREEMENT

- Section 1 The Employer recognizes the Union as a sole bargaining agent for all of his production employees in the performance of all fabrication and repair work in the Employer's shop. Provided, however, that the Employer is free to conduct research or development of new products or to install and test new equipment. Provided, however, that bargaining unit employees are trained and operate this new equipment.
- Section 2 The Union agrees to cooperate with and assist in every legitimate way the Employer to conduct a successful business, bearing in mind that both parties must give service to the public.
- Section 3 This agreement shall cover all hourly paid employees as listed under Article 9 - "WAGES".
- Section 4 All references to days or hours as time periods are to be considered as working days or working hours unless a contrary intention is expressed.

ARTICLE 2 MANAGEMENT

- Section 1 It is the Employer's right to operate and manage its business, in all respects, in accordance with its responsibilities and commitments. The location of jobs, the choice of equipment, the schedules or manufacture, the methods and means of manufacture are solely and exclusively the responsibility of the Employer.
- Section 2 The Employer has the right to make and alter, from time to time, rules and regulations to be observed by the employees, provided that they are not inconsistent with this agreement.
- Section 3 It is an exclusive function of the Employer to interview, hire, promote, demote, transfer, suspend, discipline, or discharge for cause employees in the bargaining unit subject to provisions of this agreement. It is agreed by the parties to this agreement that discipline should be corrective rather than punitive and shall be consistent with the concept of progressive discipline.
- Section 4 A bulletin board, for the benefit of the shop employees, shall be provided in the lunch room. A listing of shop floor supervisory personnel shall be periodically posted on this bulletin board.
- Section 5 Nothing in this Article shall be interpreted to prejudice other unspecified traditional rights of management.

Section 6 The Employer shall have the right to name hire six (6) employees on an annual basis. In no case shall this number be exceeded unless mutually agreed to by the employer and the union.

ARTICLE 3 RESPONSIBILITIES OF EMPLOYEES

Section 1 The employee must accept reasonable responsibility for the tools furnished by the Employer and must report the loss of any of these tools immediately to his supervisor. The Employer may require an employee to replace lost, stolen, or damaged tools.

Section 2 An employee found deliberately misusing company equipment or property, may be subject to discipline which may include dismissal.

Responsibility for normal wear and tear of tools supplied by the Employer is accepted by the Employer on return of broken or worn tools. Adequate protection is to be provided by the Employer for all tools and equipment.

Section 3 Employees shall adhere to all company policies, procedures, duties, conditions responsibilities, and terms of employment posted or published, from time to time, as may be the case by the Employer, providing they are not inconsistent with this collective agreement. Disciplinary action may take place for just cause. The employee shall have the right to have a shop steward present at the meeting (except in situations where a shop steward is not available on the shift.) The shop steward will be provided with a copy of all written notices.

ARTICLE 4 UNION SECURITY

Section 1 The Employer agrees to employ only members in good standing with the Union, who will at all times assist the Employer to secure competent shop boilermakers and helpers. Should the Union find it impossible to secure the necessary boilermakers and helpers within twenty-four (24) hours, the Employer may hire such boilermakers and helpers as are available, with the understanding that the new employee will apply to become a member of the Union upon the completion of ninety (90) days of employment. The Employer will assist in assuring that the new employee will become a member of the Union. The Employer shall deduct, in accordance with the Labour Relations Code, the amount of dues or levies as may be authorized by the employee. Such dues shall be deducted from the first pay period of each month and forwarded to the Secretary-Treasurer of Local 146 before the fifteenth (15th) day of the month.

Section 2 All new employees must report to the Union office and sign an Application for Membership and Checkoff Dues before going to work.

Section 3 When any shop employees are required to work on any boilermaker, field, or maintenance work, they shall be paid their wages and conditions according to the Boilermakers' Construction or Maintenance Agreement in effect at that time.

Section 4 Should an employee solicit work in field construction or maintenance, the employee shall lose seniority rights after sixty (60) days of continuous field work.

If the Employer solicits the employee to go to the field on new construction or maintenance, his seniority shall continue in the shop.

Section 5 Unless otherwise previously agreed with the immediate supervisor, it is the duty of every employee to be available for the full duration of every regularly scheduled shift. An employee who will not be at work due to illness or other reason, must notify their supervisor prior to the start of the shift. Any employee that cannot complete their shift, must notify their supervisor. The Employer may request an employee to provide a doctor's report on his illness if the employee has missed three (3) or more consecutive working days. In such cases where a doctor's note is required, the Employer will reimburse the employee for the cost. When an employee exhibits continued absenteeism, lack of performance, or minor infractions of the Employer's rules or regulations, the following steps shall be taken by the plant manager or direct foreman.

Step 1 – A verbal warning for a first infraction may be issued to the employee in question.

Step 2 - A written warning for a second infraction may be issued to the employee in question.

Step 3 – A third infraction may be cause for a two (2) day suspension.

Step 4 – A fourth infraction may be cause for dismissal.

Any employee being discharged will only be paid up to the time of discharge. Under no circumstances shall this section override management's authority to dismiss or discipline any employee at any time in the case of just cause.

ARTICLE 5 HOURS OF WORK

Section 1 Eight (8) hours per day shall constitute a regular day's work. Forty (40) hours per week, Monday through Friday inclusive, shall constitute a regular week's work.

- OR -

The majority of the bargaining unit employees of this bargaining unit, or the bargaining agent and the Employer may establish a compressed work week in which case ten (10) hours per day shall constitute a regular day's work. Forty (40) hours per week shall constitute a regular week's work, Monday to Thursday inclusive or Tuesday to Friday inclusive.

- OR -

For the term of this collective agreement, the Employer may implement and utilize the following shift:

A three (3) day, twelve (12) hour shift operating Friday through Sunday. Employees who work the thirty-six (36) regular hours of this shift will be entitled to forty (40) hours pay. If time is missed, employees will be paid based on hours worked unless permission to be absent has been granted by management. In the event that permission is granted for absences, the four hour shift premium will be prorated according to actual hours worked. For example, if an employee misses two (2) hours work, then they will have worked 34 hours for the three day shift. The total payable to the employee for 34 hours worked would therefore be $(34/36)*40=37.77$ hours. If an employee misses an entire day due to a holiday (or approved absence/holiday), the same prorating applies (ie: 24 hours worked = $(24/36)*40=26.67$ hours paid).

A one dollar and seventy-five cent (\$1.75) per hour shift premium will be added to all hours worked on the afternoon and weekend shifts.

The foregoing shall not be interpreted as a guarantee to provide work to any Employee for regularly assigned hours or any other hours.

- Section 2 The normal hours of work shall be between 7:00 a.m. and 3:30 p.m.
- Section 3 The majority of the bargaining unit employees of this bargaining unit or the bargaining agent, and the Employer may change the foregoing starting time by one (1) hour either way. The Union and the shop steward shall be notified in writing of a change in the starting time at least twenty-four (24) hours before implementing the change. Article 7, Section 1, shall be interpreted to reflect the new starting time.
- Section 4 Employees shall be entitled to two (2), ten (10) minute coffee breaks in an eight (8) hour shift.

- OR -

Employees shall be entitled to two (2) fifteen (15) minute coffee breaks in a ten (10) hour scheduled shift.

- OR -

Employees shall be entitled to two (15) fifteen and one (1) ten (10) minute coffee breaks in a twelve (12) hour scheduled shift.

Section 5 Employees have a responsibility to the Employer to be at work on a regular basis for their full shift.

An employee shall be ready to immediately begin their duties at the commencement of the shift. It is the intent of this clause to have employees at their work stations immediately at the start of the shift.

ARTICLE 6 SHIFT WORK

Section 1 Where two (2) or three (3) shifts are working, the first shift or day shift shall be paid at the applicable rate, as set out in Article 9. The afternoon shift shall immediately follow the day shift unless otherwise agreed. The afternoon shift shall be paid for eight (8) hours work for a total shift time of 8.5 hours.

The evening or night shift shall work seven-and-a half (7.5) hours for eight (8) hours pay. The evening shift may overlap with the afternoon shift up to one-half (1/2) hour.

Section 2 Employees will be given a minimum of two (2) working days notice, exclusive of Saturday and Sunday, prior to any change in his shift except in cases of emergency or work force realignments necessary because of employee absenteeism. The Employer reserves the right of placement of personnel on various shifts. Shifts shall rotate with two (2) weeks on each shift unless the employee was hired for a specific shift.

Section 3 Employees will be paid a minimum of four (4) hours at the applicable rate if they show up and are unable to work due to circumstances beyond their control.

Section 4 The shift premium shall be paid on all hours worked. The shift premium shall not be compounded on overtime hours worked.

ARTICLE 7 OVERTIME AND GENERAL HOLIDAYS

Section 1 All hours worked before and after any shift in excess of those provided shall be termed overtime. When such unscheduled overtime is expected to exceed one hour, employees shall be entitled to a ten (10) minute rest period.

Section 2 All hours beyond forty (40) hours of work per week on eight (8) or ten (10) hour schedules or thirty-six (36) hours per week on twelve (12) hour schedules are overtime. An employee who misses time during his regular work hours due to

illness, or any other reason with the permission of management, will not be required to make up the missed time.

All overtime worked will be paid at the rate of time and one-half (1½x) including Saturdays, Sundays, and statutory holidays. Double time (2x) will be paid after twelve (12) hours.

In the case of a compressed work week, all hours beyond ten (10) hours of work per day or forty (40) hours per week are overtime.

Section 3 It is the Employer's right to schedule overtime. The Employer shall ensure fair distribution and such requests shall not be unreasonably refused by the employee. The Employer will make every effort to provide reasonable notice.

Section 4 When an employee is required to work unscheduled overtime of more than two (2) hours beyond quitting time of his regular shift, a hot meal shall be provided immediately after the conclusion of the two (2) hour time period and every four (4) hours thereafter, with twenty (20) minutes at double time to consume the meal. In lieu of the hot meal, a \$20.00 allowance may be paid. Unscheduled overtime shall be defined for the purposes of this section as being overtime for which the employee receives no notice thereof until the last regularly scheduled shift which the overtime follows.

When the employee is working scheduled overtime of more than two (2) hours, he shall be given twenty (20) minutes at double time to consume the meal at the end of the first two (2) hours of overtime.

Section 5 The period of time recognized as a holiday is the twenty-four (24) hour period beginning at the start of the regular day shift (7:00 a.m.) on the day which is recognized as the holiday.

Section 6 Where a holiday occurs during a 5 x 8 work week, the maximum of thirty-two (32) hours per week shall form the basis of maximum straight time rate or during a 4 x 10 work week, the maximum of thirty (30) hours per week shall form the basis of maximum straight time rate or during a 3 x 12 work week, the maximum of twenty-four (24) hours per week shall form the basis of maximum straight time rate.

General holidays are: New Year's Day, Family Day, Good Friday, Victoria Day, Canada Day, Civic Holiday, Labour Day, Thanksgiving Day, Remembrance Day, Christmas Day, Boxing Day, and any other general holiday proclaimed by the Federal or Provincial Governments.

Section 7 General holiday pay is to be calculated and paid each pay period at 4.5% of gross earnings.

- Section 8 No work shall be performed on Labour Day, except for the preservation of life and property.
- Section 9 The day before Christmas Day and the day before New Year's Day, shall be a day off without pay and may be worked by mutual consent.
- Section 10 When a holiday falls on a Saturday, Sunday or recognized day off, the holiday shall be observed on either the workday prior to the holiday or the first workday following the holiday. The company reserves the right to schedule a shift on the observed date of the holiday, understanding that requirement to work the shift is voluntary. Note – if an employee works the shift that is scheduled on the observed date of the holiday, all hours worked will be paid at the rate of time and one-half (1½x). Additionally, in the case of the weekend shift, the hours worked will contribute to the prorating of the employees pay (namely the 4 hour shift premium prorating).

ARTICLE 8 VACATIONS

Section 1 Vacation pay is to be calculated and paid each pay period as per the following schedule:

Length of Continuous Employment	% of Regular Pay	Vacation Time
0 - 12 months	4%	10 regular work days
13 - 60 months	6%	15 regular work days
61 - 120 months	8%	15 regular work days
120 - longer	10%	20 regular work days

Section 2 As far as possible, employees shall be granted their choice of vacation periods according to their seniority, but the right to allocate vacation periods is reserved by the Employer in order to insure efficient and continuous operations of the plant. Unless mutually agreed, an employee will not take more than fifteen (15) working days of vacation time consecutively.

Section 3 It shall be mandatory for the employees to take vacations after one (1) full year of continuous employment.

Section 4 In the event that the Employer wishes to close or partially close the plant for a period of time, the Employer will post a notice giving the dates sixty (60) calendar days prior to the commencement of such closure.

ARTICLE 9 WAGES

Section 1 Wages as set out in the Addenda shall remain in effect from ratification.

The wage classifications as shown in the Addenda are identical to the seniority classifications referenced in other sections of this agreement.

ARTICLE 10 BEREAVEMENT LEAVE

- Section 1 Three (3) days off with pay for the death of a member of the immediate family which includes: mother, father, sister, brother, daughter, son, wife, husband, grandparents, mother-in-law, father-in-law, common-law spouse, step-mother, and step-father.

ARTICLE 13 EDUCATIONAL TRAINING FUND

Section 1 The Employer shall contribute ten (10) cents per regular hour worked by all Employees covered by this agreement. This ten (10) cent rate will continue until the total cash and investments of the fund reach fifty thousand dollars (\$50,000.00), at which time the rate will be reduced to five (5) cents. The Employer also agrees that should the total cash and investments of the fund drop below \$30,000.00, the contribution shall revert back to ten (10) cents. The ratio of apprentices shall be one (1) to three (3) boilermakers. The same ratio to apply when layoffs occur. Section 2 The foreman shall sign a safe slip before any employee proceeds to work on any vessel or tank which has contained explosive or hazardous material.

Consideration shall be given to retain sufficient employees in each job classification to suit the nature of the work remaining. Priority may be given to employees for recalls as per specific work area requirements and skill set. A new employee shall not be entitled to seniority until he has been employed continuously for a period of 60 calendar days, and then his seniority shall date back to the time of his hiring.
- Section 2 Employees laid off shall retain their seniority accumulated to time of layoffs, providing the layoff does not exceed one month for each year of employment after which the employee will lose all seniority rights. A laid-off employee must make arrangements with the Employer to return to work within five (5) days after receiving a notice of recall in order to preserve his seniority.

ARTICLE 18 SHOP COMMITTEE

- Section 1 The importance of the Union maintaining, at all times, a shop committee consisting of qualified employees of the Employer familiar with plant conditions, is recognized.
- Section 2 The selection of the shop committee is recognized as a function of the Union. The committee shall consist of not less than one (1) nor more than three (3) employees. The chairman of this committee shall be the shop steward. Owing to the nature of his work on this committee, it is deemed important that seniority does not affect his layoff, therefore, in the event of a layoff, he shall be the second last man off the job, provided there is work available for which he is qualified; otherwise, the business manager or business representative will be notified in time to appoint a successor. The shop steward shall be given a reasonable length of time to perform his duties.
- Section 3 At least one (1) member of the shop committee shall act on the safety committee, preferably the shop steward.

If the matter is not resolved in Step 4, the Union may advise in writing within thirty-three (33) working days from the incident giving rise to the complaint that it wishes to submit the matter to arbitration.

Section 2 ARBITRATION

The Union and the Employer will establish a list of four (4) acceptable arbitrators. Arbitrators will be chosen shortly after ratification. The single arbitrator will be selected in rotation from the list. Any of the time limits contained herein are mandatory; however, they may be extended if mutually agreed to in writing.

Addendum III
ALTEX INDUSTRIES INC. - Contract Welders

Reference: Article 4 – Union Security – Section 1

This addendum is to read in conjunction with the above referenced Article and Section.

“After forty-eight (48) hours where the Union has not been able to secure the necessary number of “B” pressure welders (possessing the required qualifications) within the initial call, the Employer may hire short term contract welders to undertake the required work until such time that the Union dispatch can supply the required qualified manpower. At that time, the short term welder’s contract will be terminated. The Employer agrees that it will advise the Union at the time of the expiration of the forty-eight (48) hour limit as to the hiring of contract welders. As the contract welders will not be hired as Altex Industries Inc. employees, the Union waives the need for them to become members of the Union within fifteen days. This procedure is expected to be the exception rather than the rule, as it is anticipated that the Union will be able to supply the Employer’s manpower needs when requested to do so.”
