

MASTER RIGGER

Boilermaker Apprenticeship Mechanical Training Centre | Edmonton, AB

This 4 day program will contain both classroom and practical hands on training in advanced rigging practices. Participants receiving qualification will demonstrate their knowledge and proficiency in the rigging and lifting of loads using various hoisting equipment, mobile and overhead crane systems.

Subjects will include:

- Center of gravity, load control
- Rigging selection, rigging methods
- Sling tension, level & off-level pick points
- Block loading, compound loading
- Multi-part lines, block & winch systems
- Load drifting, load turning
- Jack & roll, horizontal rigging, incline planes

Pre-requisites: Boilermaker Journeyman Certification - Red Seal preferred

Please note that only new applications will be reviewed. Past applicants must submit a new application if interested.

Registration for this course is an <u>APPLICATION</u> process. Those that are selected will be notified 1 week prior to the course start date so that arrangements can be made.

Completed applications can be submitted by e-mail at amtc-reception@boilermakers.ca or by phone at 780-451-5998
